

From Dave and Lisa...

November 11 was a very special day, and a day of recognition for the two of us.

It was Veterans Day, and the West Bend Chamber held their Annual Dinner. At this event those who had served in the United States Military were recognized and thanked for the contributions they had made to our great country. An honor, in and of, itself. Lisa served 4-years in The United States Navy, and Dave 8-years in The United States Marine Corps.

Going a step further, the Chamber also recognized the 2015 Business-of-the-Year Award winners. In what we view an incredible honor, ComForCare Home Care was recognized by the West Bend Chamber, as the 2015 medium sized Business-of-the-Year. We are incredibly humbled and honored to have been selected for this award.

At ComForCare Home Care, we strive to provide Top Quality in-home, non-medical care, for those living independently within their own homes. Although this sounds very elementary and simple, we recognize that this does not happen without a tremendous TEAM!

Let's begin with our Caregiving Staff. They are incredible! The care and dedication that they display, their commitment to our clients, and the hard-work they provide is second to none. The love and support that they offer our clients so often goes unmeasured, but is SO, SO important to their health and wellbeing. No ifs, ands, or buts...without the Quality Care they provide, this award would not have been possible. So to our Care Team...Thank You for ALL you do...You ARE the BEST!

As is the case with any business, you must also have a solid support staff in-place to control the operational aspects necessary for success. Again, so many things that are so important, and often times can go unmentioned in the day-to-day operational routine. We have a tremendous TEAM in-place, and at a time like this, please know how much your dedication and commitment factor in an award like this. Crystal, Jacqueline, Roechelle, Jessica, BJ, and Tim, please know that although this award was presented to us, it is because of your efforts, and is also for YOU!

To our entire TEAM...thank-you for making this possible!

As Owners (Dave & Lisa), and in-conjunction with Jessica, our Business Development Coordinator, we continue to be very involved in our community and with our business referral partners. We want to grow, but we also want to give back. In 2015 we were involved with so many things...the West Bend Senior Center Board, many Senior Fairs and Health Fairs, The Alzheimer's Association Walk to End Alzheimer's planning committee, The American Cancer Society Relay for Life planning committee, the Greater Jackson Business Alliance, and the West Bend, Hartford, and Mequon-Thiensville Chambers of Commerce, just to name a few. Dave continues to host his monthly radio show, "Living the Comfortable Life" on WTKM 104.9 FM. Not only is all this involvement good for our business, it requires hard work. However, we know our efforts are helping individuals within in our community!

Operationally, in the healthcare arena, our work is not an 8-5 job. Rather, we service individuals who require care 24-hours a day, 7-days per week. Often times, there are no “weekends” and “holidays”! So for the Care Staff, the Office Staff, and for Lisa and Dave who have ALL worked so hard, this recognition is validation for a job WELL DONE!

Just a thought...

*“If success were easy, everyone would do it”!!!*

In closing, to our TEAM, thank-you again. For our clients, our community and referral partners, and the West Bend Chamber, thank-you for recognizing our hard-work and efforts. Know that our goal of providing Quality Care, and our challenge of achieving perfection, will not change. We are honored to be recognized, but we are not satisfied and will not rest on these laurels.

*“When you do what you always did...you get what you always got”?!*

We want, and are capable of MORE!

Thank you to everyone...we are SO PROUD of this accomplishment!

Dave and Lisa
